CONTEMPORARY LIVE MUSIC ENSEMBLE

## MUSIC AS A BLESSING

The artistry of contemporary live music,
brought to life's meaningful celebrations.

### THE SOULO EXPERIENCE

Soulo is a Boston-based ensemble of musicians and producers creating distinctive live performances through jazz fusion, math rock, expressive improvisation, and electronic sound. Our flexible lineup and imaginative arrangements bring an individual musical character to each occasion.

### MUSIC AS A BLESSING

Inspired in part by its founder's family heritage on Mount Wuzu in Huangmei, China, home to the temple of the Fifth Patriarch of Zen Buddhism, Soulo sees music as an offering of goodwill: a way to honor meaningful moments and wish others happiness.
